WHEATON RETAIL

**Phase I  
EVR  
Certified**

## **Emco Wheaton Products Certified on CNI Phase I Enhanced Vapor Recovery (EVR) System**

[www.cni-mfg.com](http://www.cni-mfg.com)

**CARB Executive Order VR-104-C**

*The State of California requires that all stations comply with Phase I Enhanced Vapor Recovery (EVR) regulations. Emco Wheaton's **A1100EVR Overfill Prevention Valve**, **A0030-124S Fill Swivel Adapter** and **A0076-124S Vapor Swivel Adapter** are certified on the CNI Phase I EVR System. Individual EVR components may also be purchased for use in areas that do not require the complete Phase I EVR System.*
