Invoicing: Rebuilt nozzle orders will be invoiced at list price less your discount. Acceptable nozzle cores will be credited against those invoices.

Credits: Cores must be returned within 90 days of rebuilt nozzle invoice for credit. Cores with broken bodies, stripped threads or damaged in any way that limits their ability to be rebuilt, will not be accepted for credit.

Freight: Inbound freight charges for cores must be prepaid by distributor.

Part Description List Price

Standard Nozzle

To order A2500/A2501 Standard Nozzles with leaded spout, British threads or splash guard, add the codes listed below to the 8-digit model number.

A	Attitude Device	N/C	L	Leaded Spout	N/C
B	BSP Tapered Inlet	N/C	S	Splash Guard	\$1.29
BP	BSP Parallel	N/C	F	Farm Hook	\$1.96

1" Inlet - Replace the first digit of the 3-digit variant number with a 1

Refer to the alphanumeric section for a list of A2500/A2501 variants.

WARRANTY POLICY

Emco Wheaton Retail Corporation service station products are warranted to be free from defects in material and workmanship under normal use and service. Vapor recovery nozzles are warranted for a period of twelve (12) months from date of shipment from Emco Wheaton Retail Corporation or from installation date as specified by the returned warranty card, not to exceed fifteen (15) months from the date of shipment from Emco Wheaton Retail Corporation. This warranty excludes the spout and/or front end components of balance vapor recovery nozzles unless damage is obvious when the nozzle is removed from the shipping carton and the defective nozzle is returned to Emco Wheaton Retail Corporation prior to use and within two (2) months from the date of invoice. Other service station products are warranted for a period of twelve (12) months from the date of manufacture.

Emco Wheaton Retail Corporation shall, at its option, repair or replace that part which proves to be defective. Repaired or replacement nozzles are warranted for the balance of the original warranty period. This warranty is void unless the original purchaser returns the claimed defective item to Emco Wheaton Retail Corporation for inspection to determine whether the claimed defect is covered by this warranty.

The exclusive and sole remedy under this warranty is repair or replacement of the defective part. Emco is not responsible for claims for damage caused by improper installation or maintenance; corrosive fluids; misuse of the product or use the product for other than its intended purpose; or accident, acts of God, or natural phenomena. Emco will not pay for labor or related expenses, nor shall Emco be liable for any incidental, consequential or exemplary damages. This warranty is void if the Emco Wheaton Retail Corporation product has been previously repaired with parts not approved by Emco Wheaton Retail Corporation, or if a nozzle bears the mark or imprint of a company other than Emco Wheaton Retail Corporation, indicating the nozzle has been rebuilt or repaired by a company other than Emco Wheaton Retail Corporation.

EMCO WHEATON RETAIL CORPORATION MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, (WHETHER WRITTEN OR ORAL), INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

In the event a nozzle is returned to Emco Wheaton Retail Corporation within the warranty period described above, and when tested is found to be functional and without defect, Emco Wheaton Retail Corporation reserves the right to return the nozzle to the customer or apply a Core Credit (see Nozzle Core Return Program), at Emco Wheaton Retail Corporation's discretion.

In the event of failure within the warranty period, call the Customer Service Department at (800) 234-4394. Describe the problem and provide the product date stamp information to the customer service representative. In the case of a nozzle, provide the serial number. The customer service representative will provide a product complaint number, if applicable. Ship the defective equipment PREPAID, to Emco Wheaton Retail Corporation for repair or replacement.

Emco Wheaton Retail Corporation products should be used in compliance with applicable federal, state and local laws and regulations. Product selection should be based on physical specifications and limitations and compatibility with the environment and material to be handled. All illustrations and specifications are based on the latest product information available at the time of publication. Emco Wheaton Retail Corporation reserves the right to make changes at any time in prices, materials, specifications and models and to discontinue models without notice or obligation.

RETURNED GOODS POLICY

The following information must be provided to the Customer Service Department prior to returning equipment to Emco Wheaton Retail: Product number, invoice number, and date of purchase. Upon our receipt of your information, you will be issued a Returned Goods Authorization Number. This number must be attached to your return shipment. **DO NOT RETURN GOODS WITHOUT AUTHORIZATION.**

To be accepted for return, the product must be in new condition and resalable as new. No product will be accepted as new and resalable if physical evidence of usage is apparent. Any surplus stock items requested to be returned must have been shipped within the preceding twelve (12) month period to have the Return Authorization approved. No Return Goods Authorization will be granted for any obsolete items. Shipping charges on all returned goods must be prepaid.

Emco Wheaton Retail's policy of inspecting and testing every item returned, as well as handling costs require an assessment of a minimum of 20% or \$45.00, whichever is greater, deductible from the price paid for the goods or from current price, whichever is lower.

Full credit will not be granted for any returns due to late delivery and/or cancellation by ultimate customer. All orders are considered valid unless cancelled with us.

This policy statement supersedes any and all programs previously agreed to.
